# GENERAL INFORMATION

## HISTORY, LOCATION, AND FACILITIES

The University is a privately endowed, non-profit institution, operated by the Roman Catholic Diocese of San Diego, chartered by the State of California (1949), and invested with full power to confer degrees. Men and women of all faiths and races are welcome.

The University of San Diego is located high on a hill, commanding a view of San Diego Bay, Mission Bay, the Pacific Ocean, and the city of San Diego; a city rich in the history of early California. Many of the buildings of the first Spanish settlement are standing today in what is called "Old Town", within sight of the 221-acre campus.

The city of San Diego is a rapidly expanding metropolitan area, abundant with varied cultural and recreational facilities, all in ideal proximity to the school. Minutes away are Mexico, magnificent beaches, and Balboa Park's 1400 wooded acres which provide the setting for legitimate theatre, light opera, symphonies, Shakespearean theatre, museums, art galleries, and the world-famous San Diego Zoo. The San Diego Ballet Co., The San Diego Symphony, The San Diego Starlight Opera, and numerous little theatre groups provide year-round entertainment. In addition, the city has sixty golf courses, maintains a professional football team, with new stadium facilities accommodating 50,000 fans; a professional hockey team as well as a baseball team. Its mild climate permits water skiing, sailing, skin diving, and surfing throughout the year. Winter sports can be found just sixty miles east of the city.

The School of Law, established in 1954, occupies the entire facilities of More Hall, a spacious and functional three-story building of graceful Spanish Renaissance architecture. In addition to the classrooms, administrative and faculty offices, More Hall houses the library, a student lounge, student activities offices, faculty lounge, faculty library.

The law library, containing 24,000 square feet, occupies the third floor. The library contains over 35,000 volumes, including the reports of all state and federal courts. The library has been designated a Federal and State Depository.

## PURPOSE

The primary purpose of the School of Law is to provide qualified men and women with a sound legal education by emphasizing the following:

### 1. Lawyer's Skills

Prospective lawyers must be taught the skills of their profession. Through the use of the "case method" modified when desirable, students are taught to analyze and synthesize principles of law, and to apply them to given factual situations.

The School of Law also attempts to expose the student to practice problems bearing in mind, however, that the primary purpose of the law school is to train lawyers and not technicians. Skills of the practitioner can only be acquired fully by actual experience. Nevertheless, through such courses as Trial Technique, and Legal Research and Writing, and by working with the Legal Aid Society and the Federal Public Defender Project, the student is exposed to practice problems.

### 2. Philosophy of Law

In recent years it has become increasingly evident that lawyers, who make up the bulk of our legislators and, of course, all of our judiciary, should have a foundation in the philosophy of law. That is to say, they should not only know what the law is, but what is law. The School of Law, therefore, places great emphasis on the jurisprudential aspects of law, and, as a unit of a Catholic university, recognizing the objective moral order, is dedicated to awakening in the student an appreciation of the natural law.

### 3. Professional Responsibility

The law school, recognizing its duty to inculcate high standards of professional responsibility, has instituted a required course in this field. The school operates on the honor system. By this practice it attempts to stimulate, early in the student's career, an awareness that the lawyer is a person to be trusted, and to develop the habit of

trustworthiness. An effort is also made to make the prospective lawyer realize that professional responsibility is not limited to observance of the Canons, but that as a future leader in an ever more complex society he is expected to serve that society in all aspects of civic and governmental affairs.

## ACCREDITATION

The School of Law is fully accredited by the following:

1. State of California
2. State of New York
3. American Bar Association
4. Association of American Law Schools
5. State of Texas

## PROGRAM — DAY AND EVENING

There are two programs: Admission and academic requirements including residence, are exactly the same for either program.

### Full-Time:

This program is designed for the student who is able to devote his entire time to the study of law. A student who pursues this program cannot engage in full-time employment and will be discouraged from accepting even part-time employment.

This program requires three full academic years in residence or its equivalent.

Classes are usually scheduled Monday through Friday.

### Part-Time:

The part-time program usually requires four years for completion. It is normally taken in the evening by students who are employed and who cannot attend day classes.

Students enrolling in this program must register for 10 units in each semester of the first year, and thereafter must register for at least 8 semester units and no more than 10 semester units per semester.

## ADMISSION

### ENTRANCE REQUIREMENTS

The School of Law does not require any specific pre-legal course of study, although it recommends the conceptual and analytical type of courses, e.g., mathematics, philosophy, logic, statistics, etc. Courses in English Composition and Speech, which develop the power of effective expression, are also strongly recommended.

A Bachelor's Degree from an accredited college or university is required for admission. In addition, to be admitted a candidate must have achieved a satisfactory score on the Law School Admission Test and provide proof of good moral character.

Beginning law students will be admitted only in the Fall Semester.

Applicants who have failed or who are not in good standing at another accredited law school are *not* eligible for admission to this school.

### ADVANCED STANDING

Applicants who have completed work in another law school which is accredited by the American Bar Association and which has equivalent entrance requirements may be admitted at the discretion of the Dean to advanced standing. Work completed will be evaluated and credited toward graduation requirements as determined by the Dean.

Seldom will transfer credit be given in excess of thirty semester hours. The school cannot guarantee that a transfer student will not experience difficulty in adjusting his program so as to allow him to fulfill the degree requirements within the usual time.

### 1. Submission of Application

An applicant for admission should file his application on the official form which may be obtained from the Records and Admissions Office, University of San Diego, School of Law, San Diego, California 92110.

### 2. Fee

A \$10.00 non-refundable fee must accompany the application.

### 3. Transcripts

### 5. Law School Admission Test

All applicants for admission are required to take the Law School Admission Test which is given nationally four times a year at various test centers throughout the United States, including San Diego. The applicant may take the test at any of the test locations. The test application form must be received by the Educational Testing Service at least two weeks prior to the date on which the applicant desires to take the test. *All transcripts and other documents submitted become the property of the University of San Diego School of Law and will not be returned.*

## REGULATIONS AND ACADEMIC REQUIREMENTS

### REGISTRATION

Registration must be completed in person at the beginning of each semester. The date is listed in the calendar of this bulletin. Pre-registration will be allowed only on approval of the Dean.

Late registration will result in an additional fee of \$10.00

## REGISTRATION WITH STATE BAR

Students are responsible for acquainting themselves with the Bar regulations for admission to practice of the State in which they intend to practice.

California, as well as a number of other states, requires a student to register with the Committee of Examiners of the State Bar at the time the student begins his study of law.

Candidates for admission to the Bar of the State of California must register with the Committee of Examiners for the California Bar not later than three months after beginning the study of Law. Forms for this registration may be obtained from the Committee of Bar Examiners of the State of California at either the Los Angeles Office, 1230 West Third Street, Los Angeles 17, California, or at the San Francisco Office, 601 McAllister Street, San Francisco 2, California, or from the Records and Admissions Office of the School of Law. No student will be certified to the State Bar unless he has completed all the degree requirements.

## ATTENDANCE

Students are expected to attend all of their scheduled classes. If a student has unexcused absences in excess of 20% of the total class hours of a course during a semester he will be dismissed from the course and will receive no grade for the course; provided, however, withdrawal from the course will be within the discretion of the administration if a student has: (1) total absences in excess of 20% of the total class hours of a course during a semester, (2) one or more of the absences have been officially excused and, (3) the unexcused absences do not exceed 20%.

## METHOD OF INSTRUCTION

Instruction is primarily by the case method. This involves pre-class briefing of actual court cases, followed by class discussion and analysis with evaluation of the legal principles which they illustrate.

## EXAMINATIONS

A practice examination is given in the middle of the first semester of the first year.

Written examinations are normally given at the end of each semester in all subjects. The grade in the course will be based largely on the semester examination. The instructor's ultimate grade for the course may be affected by classroom participation.

Unless special permission is given by the Dean, the student is required to take the examination when scheduled. Failure to do so will result in a failing grade.

Examinations are given under the honor system.

## RULES OF GRADING AND ACADEMIC STANDARDS

1. Numerical grades are given in all courses on a scale of 100 as follows:

86-100	Excellent
78- 85	Good
70- 77	Satisfactory
60- 69	Unsatisfactory, but passing
0- 59	Failure

2. Students must maintain a weighted cumulative average of 70, except that a first year student who has a weighted average of no less than 65 in his first semester will be permitted to continue in school provided he has a weighted cumulative average of 70 at the end of the first year and thereafter.

3. A student who fails a required course must take the next regular examination given in that course until he receives a passing grade. No special re-examination will be given. A student who fails a required course in his last year, by obtaining approval of the faculty, may take a special re-examination in that course.

4. A student who fails an elective course may take the next regular examination given in that course until he receives a passing grade. No special re-examination will be given. A student who fails an elective course in his last year by obtaining approval of the faculty, may take a special re-examination in that course.

5. For purposes of computing the cumulative weighted average the grade which was originally received will be used. If a passing grade is subsequently made in any course which the student failed, a notation of this fact will be made on the student's record by placing the letter "P" after the grade which was originally received.

6. Any student who fails the first semester of a two-semester course has failed "a course" and, therefore, must take a re-examination as prescribed in Rules 3, 4 and 5.

## RESIGNATION OR WITHDRAWAL FROM COURSES

Permission to withdraw in any given course is an administrative matter to be determined by the Dean.

No student will be permitted to withdraw "passing" any later than two weeks before the first scheduled examination for any semester. Anyone wishing to withdraw thereafter will presumably withdraw "failing". All requests for withdrawals from a given course should be submitted to the Dean in writing no later than one week prior to the effective date of request of withdrawal.

## DEGREE REQUIREMENTS

Upon recommendation of the Dean and the faculty the degree of Juris Doctor (J.D.) will be conferred upon students who have successfully completed at least 80 semester units of work, including all the required courses.

## RESERVATION OF RIGHT TO MODIFY

The School of Law reserves the right to change any of the requirements and regulations of the School at any time without prior notice. The information in this bulletin is not to be regarded as creating a binding contract between the student and the school. The University reserves the right to dismiss a student for improper conduct.

## SCHOLARSHIPS

### Law School Tuitional Scholarships

The School of Law of the University of San Diego has established ten (10) scholarships, each providing for tuition and, in exceptional cases, a grant of room and board.

These scholarships are available to students beginning the study of law if they meet the following requirements:

1. A degree from an accredited college or university.
2. An outstanding academic college record (at least a "B" average).
3. A high score on the Law School Admission Test administered by the Princeton Testing Service (at least 600).

A scholarship, once granted, will continue for a succeeding year provided the student attained an average grade of 78 or better in the preceding year.

### Procedure for Application:

1. The applicant should complete the standard application and follow the procedure for admission to the law school.

2. In addition, the student must furnish two letters of recommendation from college instructors who are familiar with the quality of his undergraduate academic work.

Applications must be received no later than June 1.

For additional information, the applicant should write to the Dean of the School of Law.

### San Diego Federal Savings and Loan Scholarships

Through the generosity of the donor, an annual semester tuitional scholarship is awarded to every student who, in the opinion of a committee of the faculty, has achieved in the first semester of the current academic year the greatest improvement over the previous year's study.

### Copley Press Scholarship

A scholarship of \$750.00 is awarded annually to the student deemed most deserving.

### Chancellor's Yearly Class Scholarships

A full year's tuitional scholarship is granted annually to every student who achieved the highest scholastic average in his class for the prior academic year.

### Law Review Scholarship

The School of Law recognizes the great contribution made by those who supervise and assist in the publication of the Law Review; therefore, each year the law school awards a Tuitional Scholarship to each of the editors of the Law Review.

### Woolsack Scholarship

The law school provides out of its operating funds an annual scholarship of \$600.00 for the Editor-in-chief of the *Woolsack* and two additional scholarships of \$300.00, one for the Assistant Editor and the other for the Associate Editor.

### Limitations

A student may receive only one scholarship per year even if he qualifies for more than one.

## LOANS

There are several sources of loans available to law students who require financial assistance in order to pursue their study of law:

### United Student Aid Fund

The School of Law, as a co-contributor with the United Student Aid Fund Foundation, has set up a revolving guarantee loan fund of \$150,000.00. In general students in good standing, including entering first year students, can obtain loans up to

the amount of tuition. These loans are repayable in installments beginning one year after graduation. Under the Educational Assistance Act of 1965 the Government has provided for a subsidy of interest charges so as to make these loans equal to the National Defense Education Act loans.

Students who desire to apply for this type of loan may do so by completing and submitting no later than July 1, an application furnished by the law school finance office.

### California State Scholarship and Loan Act

The State of California has instituted a program similar to the United Student Aid Fund. Loans are limited to residents of the State of California. A student may borrow up to \$1,500.00 per academic year under this program.

Students who desire to apply for this type of loan may do so by completing and submitting no later than July 1, an application furnished by the law school finance office.

### Dean's Loan Fund

A loan of \$2,700.00 to cover costs of tuition and books, disbursable \$900.00 annually, is available every three years to a deserving entering student. The loan bears no interest. A student receiving this loan is under a moral obligation only to repay it. This loan will be available again in the Fall of 1968 provided repayment has been received.

## STUDENT ACTIVITIES

### STUDENT BAR ASSOCIATION

The Student Bar Association is an integrated bar. Membership is automatic for each student upon registration and payment of the required fee. The Association offers orientation assistance to first year students, establishing formal contact between freshmen and upperclassmen. It also sponsors numerous social events.

The officers of the Association act as liaison between the student body and the school administration. The officers are elected by vote of their respective classes.

The Association sponsors guest speakers who are active in all phases of the legal profession. The purpose of the Association is to work closely with the Bench and Bar and to afford students an opportunity to participate in extra-curricular activities which are designed to foster the moral, intellectual and social development of the future lawyer.

### THE SAN DIEGO LAW REVIEW

The School of Law publishes the San Diego Law Review. The responsibility for its preparation, content and publication is entirely in the hands of the Student Editorial Board, which is composed of seniors who were members of the Law Review in prior years. Membership on the Law Review Board is an honor conferred as the result of high scholastic achievement plus scholarly writing and editing in preparation of the Law Review.

Participation in the Law Review affords the student an opportunity to do independent research in various areas of the law, and to have the resulting work published and circulated nationally.

## THE WOOLSACK

The students write, edit and publish the Law School newspaper, *The Woolsack*. In addition to reporting law school news, the publication provides articles of social and professional interest not only to the law students, to alumni and to the members of the legal profession in San Diego.

## FEDERAL DEFENDER'S ASSISTANCE PROJECT AND LEGAL AID SOCIETY

These programs give the student an outstanding opportunity to perform a service to the community and to become acquainted with the practical as well as the theoretical aspects of the law.

The students work with the director of these projects and members of the San Diego Bar Association in the preparation of cases of indigent clients. Students assist in interviewing clients, researching law, preparing complaints and briefs, and reviewing cases ready to go to trial. In addition, students are encouraged to accompany the attorneys into the courtroom during trial of the cases and they are given the opportunity to discuss with the attorneys all the phases of the case at its conclusion. The student is thus afforded the chance to apply his classroom training to the daily practice of the law. The programs in the school are under the direction of a faculty advisor. The programs are open to students recommended and approved by the faculty advisor. Scholastic credit is granted if the students meet the conditions prescribed.

## LAW STUDENTS CIVIL RIGHTS RESEARCH COUNCIL

It is clear that the legal profession has as part of its function the duty of serving the public. It must insure the availability of adequate legal services to all if equal justice is to be a reality. LSCRRC was set up to fulfill several roles. It seeks to educate lawyers and law students about the legal problems of minority groups and the poor. It seeks to arouse and stimulate lawyers and law students, and persuade them that they must give their assistance so that all men will stand equal before the law.

LSCRRC has performed its role through several programs: a Speakers Program, a Winter Research Program, Neighborhood Legal Assistance Projects and the Post-Graduate Internship Program. These programs are designed to provide overburdened lawyers with legal assistance and give the participating students a personal awareness of the conditions under which large segments of our population live, presumably because they are poor and/or members of minority groups, and to lead the students to develop deep personal and professional commitments on behalf of such persons.

## APPELLATE MOOT COURT PROGRAMS

Because the law school believes that students should engage in legal research, preparation of briefs and oral argument to the greatest extent possible, students are encouraged to participate in several appellate moot court programs in addition to completing the required courses in Legal Bibliography and Legal Writing in their first year:

### International Moot Court Program

In the Spring of each year the Association of Student International Law Societies sponsors and holds the Phillip C. Jessup International Law Moot Court Competition. Generally and briefly described, the competition is open to all law schools each of which would furnish two to five man teams to research, brief and argue a hypothetical problem of contemporary relevance. The problem is in the area of public international law and is written by an international legal scholar. Each participating team first competes in a regional tournament, briefing and arguing both sides of the hypothetical problem; the winners of each region then proceed to Washington, D.C., for the semi-final and final rounds.

### The National Moot Court Competition

The Association of the Bar of the City of New York, Young Lawyers Committee sponsors an annual Appellate Moot Court Competition on a regional and national basis.

The two winners of the regional competition are invited to compete at a national basis in New York with Supreme Court Justices of the United States presiding.

### St. Thomas More Intramural Appellate Moot Court

All second year students have an opportunity to participate in an Intramural Moot Court program in the first semester of their second year. Finalists appear before the Court of Appeal, Tenth Appellate District. The outstanding competitors in this program are chosen to represent the school in the National and International Appellate Moot Court Competition and also are appointed to an Appellate Moot Court Board which directs the program under the guidance of a faculty advisor.

### Model United Nations

Each year two law students represent the school at the Model United Nations International Court of Justice. Students prepare a brief and present an oral argument before a mock International Court of Justice.

### FRATERNITIES

There are four fraternities with chapters at this law school.

#### Delta Theta Phi

Brandeis-Holmes Senate of Delta Theta Phi has recently been installed at the University of San Diego School of Law. Originally founded in 1900, this fraternity is one of the largest professional law fraternities in the nation and has active senates in almost all of the accredited law schools throughout the country.

#### Phi Alpha Delta

Phi Alpha Delta is a national professional organization which seeks to instill in its members a profound respect for our American Judicial System and our legal profession. The Phi Alpha Delta Fraternity is represented by McCormick Chapter at the University of San Diego School of Law. It was established in 1961. Each year the fraternity awards a trophy for the outstanding graduating student.

#### Phi Delta Phi

Phi Delta Phi Fraternity was founded on December 13, 1869, and was the first professional national fraternity in America to promote a higher standard of professional ethics and culture in this and other law schools and in the profession at large. Wigmore Inn was installed at the University of San Diego School of Law on May 11, 1962, and is named in honor of Professor John Henry Wigmore, a nationally renowned authority in the field of Evidence. An annual trophy is presented to the student with the highest scholastic cumulative average.

#### Phi Delta Delta

A chapter of this fine national women's legal professional association was established at the School of Law in 1965. All women students and alumnae are eligible to participate. An annual trophy is presented to the graduating student who has improved the most during his academic career.

### LAW WIVES CLUB
